Hello Elisabeth -

Thank you for all of your assistance and flexibility with the scheduling of analysts for Dorchester. Christina Miller asked us to choose one day a month during the third week of the month to be our "priority" drug analyst day. We are trying to schedule our most serious drug cases on those dates. I wanted you to be aware of the dates we've chosen.

They are:

January 20

February 18

March 15

April 20

May 19

June 14

As you can see by the email below, our court is cooperating with us on these dates. I was hoping that analysts, as best as they could, could reserve these dates for Dorchester cases? I know that that might not be possible in all situations.

Thanks so much for your help and let me know if there is anything we can do on our end to make things easier for you all.

Take care,
Ingrid Spiegel

These are the dates that you should try to put your drug cases on. The more we try to get them on these dates, the more likely the analyst you need will be available. I will send this list to the judges' lobby.

Also, don't forget to request that your cases be marked "PRIORITY" by the court if you expect an analyst on your trial date. That way the court will try to have five judges on those days.
